

Why everyone should own a swimming pool

1. Family Time

Swimming pools are a magnet for family fun! By creating a fun and relaxing area for your children and family to spend time together will ensure the making of lasting memories.

2. Have your own Vacation spot in your backyard

Water is so therapeutic and a swimming pool designed properly can invigorate your senses. Waterfalls cascading into the pool make a relaxing sound, so toast your partner with that beverage of choice as you sit by the pool. Little umbrellas optional

3. Throw A Party

A pool is a great place to entertain. Invite your friends and neighbors over for a poolside cookout or a refreshing swim. Your pool will be the centerpiece for excitement

4. Stay Healthy and Lose Weight

Instead of driving to the gym, you can spend time exercising in your own pool. Research shows that swimming provides a better total body workout with a low risk of injury. It also helps you to lose weight faster.

5. Relax Relax Relax

Unwind the day by tacking a dip in your pool. Spending time in the water helps your body relax and get rid of stress. You'll also sleep better than you ever have before.

6. Increase the Value of Your Home

Recent studies show that owning a pool increases the value of your home by as much as 15% - 20%. It also makes your property more attractive to prospective homebuyers. A well designed pool that is an extension of your home, maybe the difference between selling your home quickly or keeping it on the market.

7. Stay Cool

Beat the Heat in your own pool. After that long, hot day at the ball field, return home to your pool to cool off and get that second wind.

8. Know where your kids are

Your pool becomes the place to be with the kids. A convenient and safe place for them to play and you can also rest easy knowing that your children are close by.

9. Save Some Money

A pool is easier to finance and maintain than most people think. And in the long run, pools are less expensive than big family vacations and other entertainment options – and they last longer.

10. Long Lasting Fun

Building a pool is a great investment that will reap rewards for a lifetime. A vacation, a movie, or a visit to a theme park will all come to an end, but a pool will be enjoyed by your friends and family for years to come.
