

You've made the right choice with Trilogy Pools.

Water Color Guide

Trilogy is the industry leader in Solid Surface Pool® finishes.

Trilogy Solid Surface Pools have the look of high-end "pebble" finishes without all of the maintenance. This finish gives Trilogy Pools a stunning visual texture combined with a smooth and maintenance-free surface.

Our Solid Surface Pool finish is available in twelve exciting colors specifically designed for swimming pool applications. Ask your Trilogy Pool Builder about this revolutionary solid surface pool finish.
